

Is your **organization** looking for an **opportunity** to serve our community?

FIRST PICK

Are you interested in taking the passion and skills of your people out of the office to reduce waste and hunger?

Experience gleaning as a fun team building activity and work towards a common goal by picking ~1000 pounds of unwanted fruit for San Diego's food insecure. We hope your organization joins us at a local orchard for a fun, fulfilling and fragrant time!

We comply with all COVID-19 safety protocols!

Benefits:

-  Reduce hunger and waste in our region
-  A unique experience that connects your employees to nature and community
-  Social media promotion that celebrates your organization's accomplishments
-  We train your employees and make it easy to have a fun offsite team building event!

WHEN?

Anytime during the citrus season in San Diego!
Early December - end of August best
Let us know your preferred day/time of your corporate giving event!

ProduceGood is a nonprofit organization that depends upon donations to continue our work to feed our county's food-insecure. Since 2010, we have recovered over half a million pounds of produce and provided more than 2 million servings to San Diego's food insecure. We would love to host a First Pick for your organization! In order for us to make this a positive and empowering experience for your group, we ask for a minimum suggested donation. For details, please contact us!
